UMP offers you opportunities to make difference. You will be highly employable and globally connected. UMP has been working together in collaboration with many campuses in Asia, Australia, and Europe.

To go for a world class campus, UMP is always developing its international networking. Some programs have been designed to provide challenge for students and staff to be more globally connected, such as double degree program, transfer credits, international teaching practicum, community engagement and internship program.

VIRTUAL WINTER COURSE 2021
"Exploring Banyumas Heritage and Culture"
22 - 27 MARCH 2021

COURSE CONTENT

- 1. Lengger Lanang**
Lengger Lanang is a traditional dance from Banyumas, Central Java, Indonesia. It is unique since it is danced by a man dressing as a woman. In Lengger, a young man could not become a Lengger dancer without being possessed by the indang (spirit) no matter how he was trained.
- 2. Batik Banyumasan**
Batik is an ancient art form that applies a wax-resist technique on a piece of fabric. It is also well-known as one of the Indonesia cultural heritage. Batik Banyumasan, one of its kinds, has a unique and typical pattern that is different from the other Batik arts in Indonesia.
- 3. Wayang Kulit**
Wayang, also known as wayang, is a traditional puppet theatre art originated from Java, Indonesia. It is played by a dalang (a puppeteer) accompanied by the gamelan orchestra. Banyumasan Wayang Kulit is unique, primarily due to its distinct elements from the common Javanese wayang.
